The tenderers should quote their best billing prices, on the basis of delivered *F.O.R.* Mysore and Hassan separately and should be firm for a period of one month from the due date of tender. The rates should be quoted both in words and figures. If the materials are not available from ready stock, the earliest period within which delivery would be effected may be mentioned.

No enhancement of rates for whatever causes will be allowed when once the quotation is accepted and order is placed. Withdrawal from the quotation after it is accepted or failure to make the supply within the scheduled period will entail cancellation of the order and forfeiture of the earnest money, if any. The successful tenderer should, if so required by us, deposit a sum equal to 5 per cent of the value of the order as earnest money for the satisfactory execution of the order in accordance with the terms and period of delivery specified in the order.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to accept or reject any tender at his discretion.

Supply on our tender will be subject to the general conditions of contract prevailing in the department for local purchases.

The tenders should be superscribed as "Tender for supply of Hardware materials to be opened on Monday, the 13th September 1948."
